

## **Program Facilitator – Community Programs**

*Pajama Program is committed to building a culturally diverse team and strongly encourages qualified candidates from all backgrounds to apply.*

### **Background and Position Overview**

Pajama Program is a national 501(c)(3) nonprofit that was founded in 2001. Our mission is to promote equitable access to healthy sleep so all children can thrive. We believe a comforting bedtime routine sets the stage for healthy sleep and a good night, which in turn help children thrive because they wake up ready for a good day: **good nights are good days**. Our core values are equity, impact, and community.

We focus our work on reaching children exposed to adversity in every state and Puerto Rico. To do this, we distribute new pajamas and books through over 4,000 Community Partners, which include shelters, foster-care agencies, Head Start, and Title I schools; we engage a national network of volunteer Chapter Presidents to help coordinate donations; we invite children to visit our Centers in New York City, Atlanta, and Metro-Detroit; and we provide sleep health education to achieve a sustainable impact on the children we support.

The Program Facilitator (Facilitator) is a strategic leader on the program team, who will be a front-line presenter of our community-facing programs. They'll split their time between facilitating a sleep health workshop for students, and a separate workshop for parents.

Facilitators are required to work in a collaborative manner with program aides and volunteers to safely and effectively instruct goal-driven lessons and activities.
